Program Name
Dollars Days
Program Category
Innovative teaching strategy (new or unique games, curricula, etc.)
Grade Level
Elementary School (K-2); Elementary School (3-5)
Assessment Method

Program Information

Products Developed or Materials Used:

Program Description:

Every time a student runs a lap I give them a pretend dollar. The students can use their money to rent (\$2.00) a piece of equipment from the equipment room. Students really enjoy earning money to rent the equipment. Its amazing how much the students enjoy running the laps and earning the dollar. Its also a nice chance for my k-4 students to learn to handle and count money.
